

ISRAELI SETTLEMENT PLANS
IN OCCUPIED PALESTINIAN TERRITORY
INCLUDING EAST JERUSALEM

Allon Plan

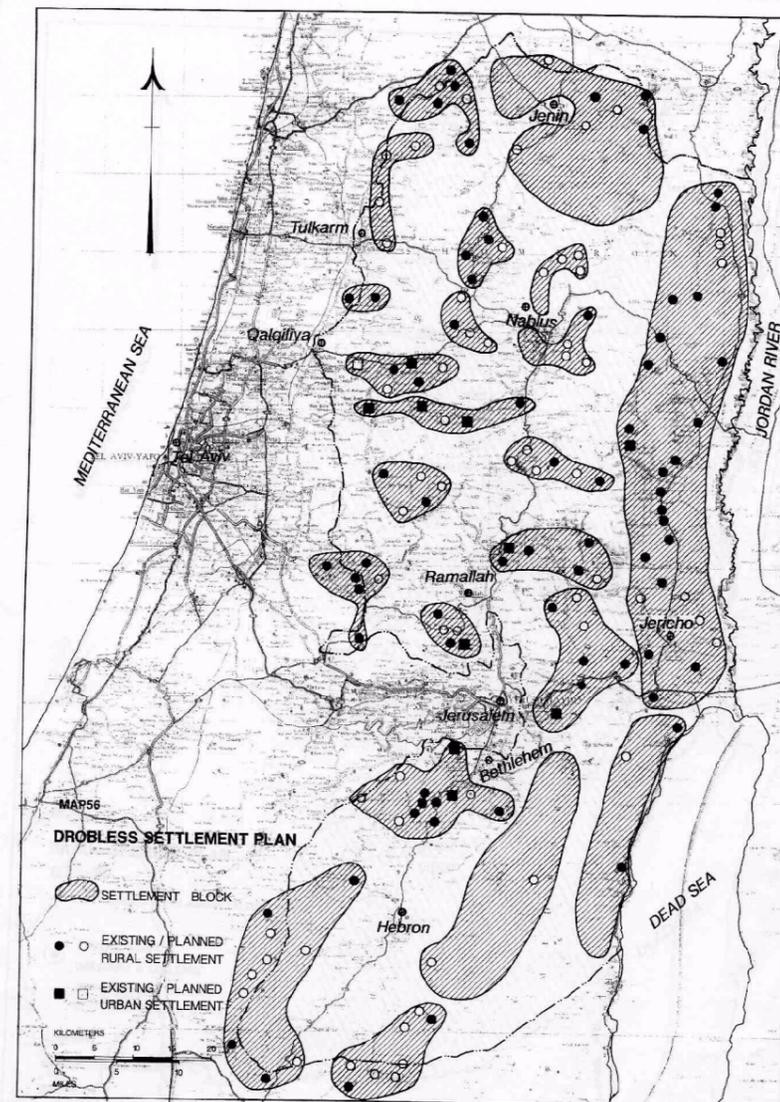

The Allon Plan called for creating defensive and political borders by establishing civilian settlements along the Jordan Valley, in a band across Jerusalem and in the west Bethlehem Area.

Gush Emunim Plan

Gush Emunim, an Israeli settler movement founded in 1974, called for establishing settlements in all parts of the 'land of Israel'. Their plan was the basis of the Drobless Plan.

Drobless Plan

The Drobless Plan called for Israeli settlements to fragment the territorial continuity of Palestinians and for settlements to be grouped in blocs.
