### PRO/NV/Emergency Contact Information

The Chief of Protocol of the United Nations presents his compliments to the Permanent Representatives and Permanent Observers accredited to the United Nations and has the honour to bring to their attention the following:

The United Nations is establishing an email contact list for Permanent Missions and Observer Offices, to be used in the event of emergencies affecting the status of the Headquarters campus. This emergency contact list would only be used by offices within the United Nations that would need to communicate such information. To this end, the Protocol and Liaison Service kindly requests all Permanent Missions and Observer Offices in New York to communicate, in writing, an email address that would be used for the emergency contact list. Please note that this email can be different from the general purpose email that is published in the Blue Book, and that this email address will not be published in the Blue Book or any other document.

In the event that the Permanent Missions and Observer Offices do not provide such an email, then the email listed in the Blue Book will be used for the emergency contact list. Please also note that it is the responsibility of the Missions and Offices to inform the Protocol and Liaison Service in a timely fashion about any changes to that email address.

The Chief of Protocol of the United Nations avails himself of this opportunity to renew to the Permanent Representatives and Permanent Observers accredited to the United Nations the assurances of his highest consideration.
