Labouisse Hall, UNICEF House,  
3 United Nations Plaza, New York

RSVP by 12 July [here](#)  
or contact [krechany@unicef.org](mailto:krechany@unicef.org)

UNICEF, Nord Anglia Education, the World's Largest Lesson and partners will co-host their annual HLPF side event about the importance of educating and engaging children, adolescents and youth on the SDGs.

Working with Sing for Hope, The Julliard School, Comics Uniting Nations, Safe to Learn and UN Member States including the Governments of Indonesia and Jamaica, this event will put 100 students at the centre to showcase how children and young people are using art and advocacy to #ENDviolence in and around schools and compel Member States to include them in SDG efforts. The mediums brought to stage will include musical performances, the final comic book from the School Superhero Comic Contest, and the global Youth Manifesto to #ENDviolence in schools.
