CONCLUSIONS OF A RECURRENCE NATURE
Although the person(s) may be generally in a good state of health at the time of the examination, it would be appreciated if the medical officer/practitioner could furnish details of any diseases, condition or defect the person(s) has/have suffered and which might recur.

I hereby certify that I have examined the following person(s)

1. ...........................................................................................................
2. ...........................................................................................................
3. ...........................................................................................................
4. ...........................................................................................................
5. ...........................................................................................................
6. ...........................................................................................................
7. ...........................................................................................................
8. ...........................................................................................................

and find that he/she:
(a) not mentally disordered* or physically defective in any way;
(b) not suffering from leprosy, venereal disease, tuberculosis or other infectious or contagious diseases;
(c) generally in a good state of health,
except for the following defects observed:

Name of person(s)  (Please type or print)

...........................................................................................................
...........................................................................................................
...........................................................................................................
...........................................................................................................
...........................................................................................................

Signature of medical officer/practitioner
