Note

The present booklet contains information of a general nature about United Nations Headquarters which is applicable throughout the seventy-first session. Suggestions for changes to the booklet should be addressed to the General Assembly Affairs Branch, room S-3048, ext.: 3.2337, or by e-mail: muturi@un.org. The booklet is also available on the Internet from the United Nations delegate website (www.un.int/pm/delegates-handbook) and at the General Assembly website under Resources (www.un.org/en/ga). http://www.un.org/geninfo).
Message from the Secretary-General

For more than six decades, the Delegates’ Handbook has served as an important resource and a ready reference guide for assisting delegates in understanding how the General Assembly and its subsidiary bodies conduct their complex work. The information provided in this useful guide not only facilitates Member States’ coordination with relevant offices of the Secretariat, but also contributes to transparency and to further strengthening the relationship of trust between delegates and the Secretariat.

During the seventy-first session, Member States will take critical decisions in responding to significant global challenges, and I offer all of you my best wishes for success in the conduct of your diplomatic responsibilities. It is truly an honour and a privilege to work with you on the global agenda.

Foreword from the Under-Secretary-General

It is my honour to present the Delegates’ Handbook for the seventy-first session of the General Assembly. Following the adoption of the 2030 Agenda for Sustainable Development, the seventy-first session will be critically important in setting the course for its implementation. In addition, we will also conduct the high-level plenary meeting on addressing large movements of refugees and migrants.

Since the publication of the first edition of the Handbook, 64 years ago in 1952, we have continued our efforts to provide delegates with a user-friendly and handy guide on the workings of the General Assembly. This year’s edition features further improvements to better cater to delegates’ needs, and we hope that the introduction of a mobile app will also enhance its accessibility.

The main objective of the Handbook is to guide delegates—both new and seasoned—in navigating the practices and procedures of the General Assembly and its subsidiary bodies, as well as the related services and facilities of the United Nations. It is hoped that Member States will find the Handbook helpful, handy and practical in assisting coordination with offices in the Secretariat and other delegations in covering the Assembly’s diversified and extensive agenda. The Handbook is intended to supplement, and not replace, the rules of procedure (A/520/Rev.17) and the annotated preliminary list of agenda items (A/71/100).

The Department for General Assembly and Conference Management is always striving to improve the quality of its
services to its clients and constituents, and stands ready and committed to serve and support Member States. I wish you success in your deliberations.

The Protocol and Liaison Service website (www.un.int/protocol) includes the most up-to-date version of the *Blue Book*, lists of Permanent Representatives, Heads of State/Government and Ministers for Foreign Affairs, and a list of senior United Nations officials. It also contains the Manual of Protocol.

III. Conference services

Meetings services

The Department for General Assembly and Conference Management is responsible for providing the following meeting services to meetings held in conference rooms located in the General Assembly Building and the Conference Building:

- Meeting servicing
- Interpretation
- Documentation services including:
  - Editing
  - Translation
  - Text-processing and desktop publishing
  - Printing
  - Distribution
- Official, written meeting records

Contact for general enquiries regarding meeting requests and related services: Meetings Management Section (rooms S-1225 to S-1230, ext. 3.8114 or 3.7351).

Contact for general enquiries regarding documents: Documents Control (room AB-903, ext. 3.6579).

Contact for general enquiries on printing and distribution of documents and related services: Meetings Support Section (room S-01B05, ext. 3.7348 or 3.1807).

Programme of meetings

Prepared by the Meetings Management Section (rooms S-1225 to S-1230, ext. 3.8114 or 3.7351). The daily programme of meetings for the current day with information on conference room assignments is displayed on electronic screens alongside the conference rooms.
All authorized requesting parties, including Permanent Missions to the United Nations, wishing to book conference rooms and interpretation services should contact the Section’s programme team (at the numbers mentioned above) to ascertain availability of services and to receive a prebooking confirmation through the e-Meets 2.0 meetings management system. Receipt of a prebooking confirmation through e-Meets 2.0 does not automatically guarantee approval of conference-servicing facilities. Meeting requests are confirmed by the Section also through e-Meets.

**Duration of meetings**

Morning meetings are generally scheduled from 10.00 a.m. to 1.00 p.m. and afternoon meetings from 3.00 p.m. to 6.00 p.m. Lunchtime bookings can be accommodated from 1.15 p.m. to 2.30 p.m., with reduced service capabilities.

**Punctuality:** Owing to the heavy demand for meetings and the limited facilities available, it is essential that meetings start on time and that the above schedule be followed to the fullest extent possible. Therefore, delegations are urged to be present at the meetings on time. In its resolution 59/313 of 12 September 2005, the General Assembly strongly urged all officers presiding over meetings of the Assembly to start such meetings on time.

**Scheduling of meetings:** It is advisable to schedule related meetings consecutively whenever possible, to ensure the maximum utilization of available services. For ease of transition, however, there should be a short gap between unrelated meetings.

**Cancellations:** In the event that a scheduled meeting is cancelled, the organizers are urged to inform the Section immediately to enable reallocation of resources.

Requests for interpretation from regional and other major groupings of Member States as well as other informal meetings can be accommodated only if and when services originally earmarked for meetings of Charter or mandated bodies are released. Please note that interpretation services are available only from 10.00 a.m. to 1.00 p.m. and from 3.00 p.m. to 6.00 p.m.
Use and care of United Nations electronic equipment

Delegates and other meeting participants are requested not to place food, water and other liquids on tables or surfaces in conference rooms where simultaneous interpretation audio systems are installed. Spillages might occur, thus causing serious malfunction. Care should also be taken in utilizing microphones, channel selectors, voting switches and audio earphones, as these are sensitive electronic devices. Placing a cellular phone near the microphone may also interfere with sound quality.

Use of cameras and cellular phones

Members of delegations are reminded that no photographs are allowed in conference rooms or in the General Assembly Hall and that Security is instructed to strictly enforce this rule. Members are also reminded to refrain from making or accepting cellular phone calls at their delegation tables (see p. 32).

Seating protocol

The Secretary-General, on 13 June 2016, drew the name of Bolivia (Plurinational State of) from among the Member States to occupy the first seat in the General Assembly Hall during the seventy-first session of the General Assembly. Consequently, the delegation of Bolivia (Plurinational State of) will be seated at the first desk in the front row at the right of the President. Delegations of the other Member States will follow in the English alphabetical order of names, in accordance with established practice. The same seating arrangement applies to meetings of the Main Committees.

Copies of the floor plan are available at the Documents Assistance Centre (room CB-0264) and at the Documents Counter (room S-1B-032) or electronically by sending an e-mail request to the Chief of the Meetings Support Section at chiefmss-dgacm@un.org.
The *Journal of the United Nations* is prepared by the Journal Unit (Office S-1238, ext. 3.3888 and 3.0493). The Office opens at 3.00 p.m.

The *Journal* is issued from Monday to Friday in English and French. During the main part of the General Assembly session, it is published in the six official languages (Arabic, Chinese, English, French, Russian and Spanish).

The *Journal* is available on the website of the United Nations, the Official Document System (ODS), Twitter (https://twitter.com/Journal_UN_ONU) and Facebook (*Journal of the United Nations*), and by eSubscription (to subscribe, go to http://undocs.org/) and follow the instructions. The *Journal* features:

- Programme of meetings and agenda;
- Other meetings;
- Other activities;
- Press conferences;
- Forthcoming meetings;
- Announcements;
- Summary of meetings;
- Signatures and ratifications of multilateral treaties deposited with the Secretary-General;
- General information including the list of Chairs of regional groups for each month; and
- Daily list of and direct link to documents issued at Headquarters;

Material for insertion in the *Journal* should be communicated by e-mail (journal@un.org). The deadline for the inclusion of all material for the *Journal* issue of the next day is 6.30 p.m. for the programme of meetings and 7.00 p.m. for the summaries. For other activities, material should be sent before 6.00 p.m. at least two days in advance.

**Interpretation**

Statements made in any of the six official languages of the United Nations are interpreted into the other official languages: for written statements, it is essential that the delegations provide
interpreters with copies of their texts to the Meetings Servic-
ing Assistant in order to ensure the quality of the interpretation (see pp. 34). Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed if possible, to enable the interpreters to give an accurate and complete rendition of their statements. When statements are delivered at a fast pace to comply with the time limit, the quality of the interpretation may suffer. It is suggested not to exceed about the speed of 120 words per minute in order to ensure that the statement is delivered at a normal pace.

In cases where statements are made in a language other than the official languages (rule 53 of the rules of procedure of the General Assembly): delegations must provide either an interpreter or a written text of the statement in one of the official languages. The interpretation into the other official languages by United Nations interpreters will be based on the interpretation or written text accepted by the Secretariat as representing the official text of the statement. A “pointer”, a person who knows the language in which the statement is to be delivered and the official language into which it has been translated, should be made available by the delegation, to guide the interpreter throughout the translated text and to ensure synchronization between the speaker and the interpreter. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreter booths, must be made in advance through the Meetings Management Section (telephone: 212-963-8114; e-mail: emeetsm@un.org).

**Written translations of statements delivered in official languages**

“Read out verbatim” or “check against delivery” should be specified on the first page of the text when delegations provide a written translation of their statement. For written texts provided in more than one official language, delegations should indicate clearly which of these is to be accepted as the official text.
Read out verbatim. Interpreters will follow the translation. Therefore, any deviation from the text on the part of the speaker, including omissions and additions, is unlikely to be reflected in the interpretation.

Check against delivery. Interpreters will follow the speaker and not the translation. If the speaker deviates from the text, delegations should be aware that the interpretation heard by the audience will not necessarily correspond to the translation that they may have distributed to the audience and the press.

Microphones start to operate only when the representative taking the floor has been called upon to speak and the delegate has pushed the button. To ensure the best possible recording and interpretation of the statement, representatives should speak directly and clearly into the microphone, particularly when giving figures, quotations or highly technical material or when reading from a prepared text (see p. 34). Tapping on the microphone to test if it is working, turning pages and making or answering cellular phone calls should be avoided (see p. 29).

Records of meetings

Written meeting records are provided for the plenary meetings of principal organs, for meetings of the Main Committees of the General Assembly and, on a limited and selective basis, for meetings of certain other bodies. Meeting records are in two forms: verbatim records (PVs) or summary records (SRs). The records are prepared by the Secretariat and are subject to correction by delegations. However, corrections that add to, or alter the sense of, a statement as actually delivered cannot be accepted.

- PVs cover the proceedings in extenso utilizing interpretations for languages other than the original.

Delegates are advised that if any portion of a written statement is not actually read out, it will not appear in the record of that meeting.

- SRs cover the proceedings in a concise, abbreviated form. They are not intended to include each intervention or to reproduce statements textually.
The provision of written records (verbatim or summary) for United Nations bodies is regulated by a number of decisions of the General Assembly and other principal organs.

In addition, audiovisual recordings of meetings are made and may be consulted (see pp. 46-47).

**Corrections to meeting records**

- **Corrections to PVs.** Chief, Verbatim Reporting Service, room U-506
- **Corrections to SRs.** Chief, Documents Control Unit (srcorrections@un.org)

Corrections should be in the form indicated in the corrections footnote on the front page of the PV or SR. If corrections are inserted in a copy of the record, the front page of the corrected record should bear the signature and title of an authorized official of the delegation concerned.

Delegations are requested to make sure that, when the corrections are made by hand, they are written clearly and that the place in which they are to be inserted is indicated precisely.

- **Corrections to PVs** should be limited to errors and omissions in statements as actually delivered, that is, in the original language. When a request is submitted for a correction, a check is made against the audiovisual recording of the relevant speech.
- **Corrections to SRs** should not cover points of style, nor include lengthy additions that would upset the general balance of the summary record.

The text of a speech should not be submitted in lieu of corrections.

**Issuance of corrections**

Copies of prepared texts of statements in plenary meetings and in meetings of the Main Committees

If available, 30 copies of the text should be submitted to the receiving area at the documentation desk at the rear of the General Assembly Hall or at any conference officer’s desk in meeting rooms between 8.00 a.m. and 9.00 a.m. by a delegation representative in possession of a valid United Nations grounds pass. If delegations wish to have the text of statements distributed to all delegations, observers, the specialized agencies, interpreters, verbatim reporters and press officers, 350 copies will be required.

Delegations are invited to submit PDF versions of their statements via e-mail to e-mail addresses to be announced in the Journal of the United Nations. Delegations wishing to circulate their statements electronically through the PaperSmart portal should provide them not later than two hours in advance of delivery. Alternatively, delegations may bring a hard copy (unstapled and printed on one side only) for scanning and uploading to the PaperSmart portal documents distribution counter in the General Assembly Hall or at any conference officer’s desk in one of the meeting rooms. The name of the meeting and the agenda item should be indicated in the subject line of the e-mail and in the heading of the statement. The statements will not be released until their delivery and then posted. Only statements presented during the course of the meeting will be posted.

Questions relating to General Assembly documentation should be addressed to the staff of the Documents Planning Unit listed below.

Documents facilities

Translation and reproduction of documents

Delegations wishing to submit documents for consideration by a United Nations body should present them to the Secretary-General or to the secretary of the body concerned. The staff of Documents Control are not authorized to accept documents for translation or reproduction directly from delegations.

The categories of documents are as follows:

- The “General” series;
- The “Limited” (L) series followed by the serial number: this series comprises documents of a temporary nature such as draft resolutions and amendments thereto. When such documents are submitted during a meeting and are required urgently, advance versions marked “Provisional” are translated and reproduced immediately by special arrangement and distributed to participants in English only. Edited texts and revised translations are issued later;
- The “Restricted” (R) series followed by the serial number: this series contains only those documents whose content requires at the time of issuance that they should not be made public; these documents are not available on ODS;
- Conference room papers (CRPs) or working papers (WPs) are informal papers, in English or the language of submission, used in the course of a meeting and distributed only to participants and other interested recipients attending the meetings. These documents may be made available by the substantive secretariats on their websites or by other electronic means. However, they are not available on ODS.

Distribution of documents for delegations

Predetermined quantities of the Journal of the United Nations and specified documents issued at Headquarters will be distributed on a daily basis and available for collection at the distribution pick-up area, on the 1B level of the Library Building. Please note that any changes to quantities requested with regard to document distribution for delegations should be sub-
mitted in writing at least two working days prior to the date required and addressed to the Chief of the Meetings Support Section, chiefmss-dgacm@un.org.

Documents-on-demand services (printing of documents, assistance with access to online services, etc.) are provided through the Documents Assistance Centre (room CB-0264) and at the Documents Counter (room S-1B-032).

A limited number of copies of documents containing draft proposals for action during the meetings in progress will be available in the conference rooms.

Alternatively, requests for hard copies of documents may be made via e-mail at publishing@un.org with the following specific instructions: document symbol, languages required, quantity of each document and the physical delivery address.

Only United Nations documents may be distributed during the meetings (see FAQ 3).

Any additional documentation needed may be retrieved online using ODS, or through the PaperSmart portal (papersmart.unmeetings.org). No login is required to access the portal. Documents are also available via the eSubscription service at www.undocs.org. Delegates can sign up to receive the latest edition of the *Journal* and documents issued daily at Headquarters directly to their computer or mobile device.

Information on ODS can be requested from extension 3.6439.

**Communications from Member States for issuance as documents of the General Assembly**

Delegations requesting issuance of communications as documents of the General Assembly should ensure that they are addressed to the Secretary-General, the President of the General Assembly and/or the President of the Security Council as applicable, and signed by the Permanent Representative or Chargé d’affaires of the Permanent Mission to the United Nations. Communications should indicate the session of the General Assem-
bly and the number and title of the agenda item under which circulation is requested, using the latest agenda.

Electronic versions in Microsoft Word should be sent to dpu-dgacm@un.org, to facilitate the processing of communications. If versions in any other United Nations official languages are available, they should be included with a clear indication of the original language and/or which language versions are to be used for reference only. Materials that are accessible to the public on websites or through the media, such as statements, press releases and images, should be cited rather than being included in the communications.

40  DELEGATES HANDBOOK—INFORMATION FOR DELEGATIONS
Press releases, distribution of speeches

The Meetings Coverage Section prepares:

- Press release summaries in English and French of most open meetings held at United Nations Headquarters, usually available within hours of the end of the meetings.
- Releases on United Nations conferences and meetings held in other parts of the world. These releases, prepared for the use of information media, also contain background information, but are not official records.

Accredited correspondents may obtain press releases, links to documents, press kits and other United Nations materials from the Media Documents Centre (S-0219 to S-0221, ext. 3.7166), in person or by e-mailing requests to MDC@un.org.

Delegations wishing to have their statements (made during the general debate of the General Assembly, special sessions
or other major events at Headquarters) posted on the United Nations website should contact Mr. Peter Dawkins, Chief, Web Services Section, as early as possible, at ext. 3.6974.

The “Global Issues” pages provide one-stop access to information on 30 major topics (www.un.org/en/globalissues). A list of street and e-mail addresses and telephone and fax numbers of United Nations Permanent Missions is available at www.un.org/en/members.

The audiovisual pages at www.unmultimedia.org provide access to audio news files from United Nations Radio, as well as to video products and photos. The United Nations website also offers access to research tools and links to the home pages of other parts of the United Nations system.

Full coverage of the general debate can be followed on a dedicated website: http://gadebate.un.org. This website is updated in real time and provides multimedia coverage of the general debate (video, photograph and audio) in all languages and statements in the original language.

Additional information can be obtained from the Web Services Section (ext. 3.6974).

**News services**

The main news portal of the United Nations, the UN News Centre, offers easy access to a range of news-related products and resources. In addition to providing coverage of developments from within the United Nations system, it includes thematic news focus pages and a searchable databases of speeches by the Secretary-General, together with an e-mail news alerts service, RSS feeds, Newsmaker interviews, and “photo stories”.

Delegates can request to be subscribed to receive updates by sending an e-mail to the contact provided at www.un.org/apps/news/email/. A daily news digest is available at the end of each working day. In addition, delegates can receive an e-mail with a link to the story and choose to follow certain subjects and regions.
UN News Reader app for smartphones, available for iOS (English only) and Android (six official languages), also provides access to UN News Centre coverage.

The News Centre posts stories that are based on a wire agency style of reporting and do not contain detailed reports of statements by Member States. It is not intended to be an official record. This service is available in all six official languages.

The recently redesigned modern, mobile-friendly United Nations home page is available in all six official languages and provides a dedicated section for delegates. The dedicated section, accessible from the main menu of un.org, provides details and links to (a) the Blue Book of Permanent Missions to the United Nations, (b) the Manual of Protocol, (c) the Journal of the United Nations, (d) United Nations documents, (e) the delegates portal and a number of additional resources of particular interest to delegates.

The Garage Administration will schedule delegations to apply for and collect parking decals.

- **Vehicles registered to the individual delegates.** Applications with an authorized Mission signature accompanied by the Mission seal, attaching a valid vehicle registration and
current United Nations identification should be submitted to the Protocol and Liaison Service (room S-0201, telephone: 212-963-7172). After certification by the Protocol and Liaison Service, the application should be hand carried to the Garage Administration for processing. One e-Tag will be issued for each registered vehicle with “D” plates. Although an individual delegate may register multiple vehicles, only one vehicle may be allowed to park at any given time in the garage. E-Tags will be issued only to members of delegations duly accredited to the United Nations.

- **Vehicles registered to the Mission.** Applications with an authorized Mission signature accompanied by the Mission seal, attaching the valid vehicle registration, should be submitted directly to the Garage Administration office for processing. Only one special e-Tag will be issued per Mission for the vehicle of the Permanent Representative allowing entry at the 43rd Street gate. Any changes in vehicle usage must be brought to the attention of the Garage Administration for processing.

- **E-Tags for observer State missions, intergovernmental and other organizations listed in chapters III, IV and V of the Blue Book.** Applications must be submitted to the Protocol and Liaison Service and thereafter to the Garage Administration for appropriate action. The issuance of parking e-Tags to observer State missions and intergovernmental and other organizations will be limited to persons enjoying diplomatic status.

- **Vehicles with “S” plates registered in the name of Mission staff.** These vehicles will not be authorized to park in the United Nations compound.

- **Temporary identification decal (pink) for the seventy-first session of the General Assembly.** Permanent Missions may apply for a temporary identification decal to admit vehicles rented from established and bona fide companies for use by accredited delegates, visiting dignitaries and diplomats officially attending meetings during the session. Entry for vehicles with these decals is at the 43rd Street gate for drop-off/pick-up only, with no parking privileges. Application forms may be obtained from the Garage Administration office and thereafter submitted with a copy of the rental agreement, ve-
vehicle registration, vehicle insurance and driver’s license of the chauffeur to the Security Special Services Unit (GA-1B-052) for clearance prior to submission to the Garage Administration for issuance. Please note that the new parking e-Tag system will not be applicable to temporary vehicles. Temporary vehicles will continue to receive parking decals.

Parking e-Tags must be affixed to the vehicle, and clearly visible to Security Officers and Garage Administration staff at entry points and while the vehicles are on the premises. Vehicles not having valid e-Tags will not be allowed entry into the United Nations Garage. Vehicles not displaying a valid e-Tag are liable to be towed off the premises. Parking e-Tags are non-transferrable and must be affixed only to the vehicle registered with Garage Administration in order to be allowed entry into the garage. Further instructions will be provided by Garage Administration upon e-Tag issuance.

Prior to the issuance of e-Tags for the new General Assembly session, all decals previously issued to delegations must be returned to the Garage Administration office. In addition, decals and e-Tags belonging to delegates who are departing from Headquarters must be returned to the Garage Administration office prior to their departure. Any changes in vehicle usage must be immediately reported to Garage Administration. It is important to note that parking e-Tags will automatically be deactivated upon expiration of the vehicle registration. Upon renewal, updated vehicle registrations should be submitted to Garage Administration in order for the parking e-Tags to remain active.

In accordance with section II of General Assembly resolution 39/236, parking privileges of delegates whose parking fees are in arrears for more than three months will be suspended. Privileges will be restored once the arrears have been paid in full. Prior to a delegate’s departure, he/she should contact the Garage Administration office in order to settle any outstanding dues.

- **Delegation vehicles with United Nations diplomatic plates and identification e-Tags valid for the current session of the General Assembly.** These vehicles may park on the first level and designated area of the southern end of the second
level, aisles A, B, C and half of D in the United Nations Garage without charge while representatives are on official business. You are kindly requested to ensure that all designated diplomatic parking areas are filled to capacity prior to parking elsewhere. It should also be noted that, during the seventy-first session of the General Assembly, congestion is expected and where possible alternate modes of transport should be considered. If not, additional delays on entry should be expected.

- **Overnight parking is not permitted.** Exemptions for a limited number of Mission registered vehicles will be authorized upon written request by the Mission to the Garage Administration. The overnight fee is $2.50 per night. Invoices for this service are sent to the Mission shortly after the end of every month. These invoices are due upon receipt and should be settled by cash or cheque payable to the “United Nations”, forwarding payments to the United Nations Garage Administration, 801 United Nations Plaza, room U-210, New York, NY 10017. Please be aware that unauthorized vehicles left over a 24-hour period in the United Nations Garage will be issued violations. Three violations will dictate revocation of parking privileges.

**Entrance to the grounds**

Secretariat entrance on First Avenue:

- Vehicle of the Permanent Representative, identified by a special e-Tag. All occupants riding in the car will be required to display valid United Nations identification cards;
- Rented vehicles which have been issued special decals which permit drop-off/pick-up only. Such vehicles will not be permitted to park on United Nations premises.

**48th Street entrance:** for all other vehicles bearing an e-Tag. Delegation vehicles entering the premises are subject to a security check.

**Access to the garage**

Chauffeur-driven cars identified by special e-Tags issued to Permanent Representatives may use the ramp at the 43rd Street entrance for access to the garage.
While on call for delegates, chauffeurs should wait in the “ready room”, on the first garage level. They will be paged by the security officer at the Delegates’ Entrance of the General Assembly building chauffeurs when they are required.

**Liability for loss and damages**

In arranging for parking facilities to be available, the United Nations seeks to accommodate delegations. Garage users are warned that incidents of theft and vandalism have occurred inside the garage, as it is not possible to have all vehicles under surveillance all the time. The United Nations does not ensure the safety of vehicles or property left in the garage, and users acknowledge and accept that the United Nations cannot guarantee the safety of any vehicles, or property inside them, left in the garage.

**Local transportation**

The United Nations does not provide cars for delegations. It is suggested that delegations requiring local transportation make their own arrangements.

The Institute began operating in 1966, with activities primarily supporting the training of diplomats accredited to the United Nations in New York.

The Institute was established for the purpose of enhancing the effectiveness of the United Nations in achieving the major objectives of the Organization through extensive training and research. Operating as an autonomous body within the United Nations system, the Institute has become a leading provider of short-term executive training to national and local government officials of Member States and representatives of civil society and the private sector, and reaches out yearly to some 25,000 beneficiaries around the world.

At the United Nations in New York, UNITAR provides multilateral diplomacy training to assist delegates to perform effectively in the United Nations as well as engage in contemporary global challenges. Offered throughout the year, courses are concise, accessible and directly relevant to a delegate’s workload at the United Nations. They focus, inter alia, on the United Nations system and its functioning, international law and policy, peace and security, migration, negotiations, United Nations reform and sustainable development. Some courses are available online; most are offered through face-to-face learning. Most courses are fee-based, though fee waivers are available for developing and least developed countries. The annual course calendar is available on www.unitar.org/ny.

The Institute is supported by voluntary contributions from governments, intergovernmental organizations, foundations, and other non-governmental sources.

United Nations International School

Main campus location
24-50 FDR Drive (Manhattan)

Auxiliary facility location
173-53 Croydon Road, Jamaica Estates (Queens)
The United Nations International School (UNIS) was founded in 1947 under the auspices of the United Nations. The school has nearly 1,600 students, representing 123 countries and speaking 98 languages. Over 60% of the student body is affiliated with United Nations families, including staff of the UN or of Permanent Missions. The remaining almost 40% are students from the local area, with no affiliation to the United Nations.

- **Main campus:** grades kindergarten through high school graduation (International Baccalaureate Degree).
- **Auxiliary facility:** grades kindergarten through eighth.

English is the normal language of instruction, but all students learn French or Spanish as well, with the other official United Nations languages and German, Italian and Japanese within the curriculum. Mother-tongue instruction is also offered when requested. The very multiplicity of languages spoken by the international faculty and students provides a rich cultural opportunity. Great emphasis is placed on the teaching of science in ways that are effective for students of high ability who have not yet achieved fluency in English.

The scholastic standards are high. The High School is one of the few institutions of learning in the New York area that offers the International Baccalaureate diploma, which qualifies the recipient to attend colleges in the United States and abroad. The School is chartered by the New York State Board of Regents as a private school, is accredited by the Council of International Schools and is recognized by the French Government for French-speaking students in grades 2 to 5.

Taking into account the requirement for the item to be considered in the Sixth Committee (resolution 54/195), which meets during the main part of the session between September and December, such requests are normally submitted in time for inclusion in the provisional agenda of the forthcoming session, or the supplementary list thereto. From September to December each year, with the exception of the United Nations Day Concert, the General Assembly Hall is used solely for the meetings of the General Assembly. Requests for permission to use the Hall during the rest of the year should be addressed to the Director of Central Planning and Coordination Division, DGACM. Requests for special events should be made at least three months in advance of the proposed event and should contain the information requested in paragraph 4 above. Permission to use the Hall is granted on the understanding that, should the Assembly need to meet at a time when the use of the Hall has been authorized for another meeting or event, the sponsor of that meeting or event would have to make alternate arrangements (See ST/Al/416 for details).
